

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Sale of Surplus Property

MEETING DATE: April 19, 1995

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council authorize staff to dispose of items contained in the attached list by off-site auction. Proceeds from the sale of Electric Utility Department equipment shall be credited to the Electric Utility Capital Outlay Reserves. Proceeds from the sale of Water/Wastewater Division equipment shall be applied to the Water/Wastewater Equipment Replacement Funds. Proceeds from the sale of all other equipment shall be credited to the Equipment Replacement Fund. The vehicles and equipment listed are surplus and/or replacements have already been purchased and put into service.

BACKGROUND INFORMATION: Approximately twenty-eight items await disposal. The storage of these units at Municipal Service Center (MSC) creates problems in the yard. They impede maneuvering, vendor deliveries, on-site demonstrations, and day-to-day operations.

Dial-A-Ride and Grapeline buses are serviced at the MSC. The Police Department also needs to store vehicles at the yard, sometimes long-term. Therefore, it is imperative that the City dispose of this surplus equipment in a timely manner.

Jack L. Ronsko
Public Works Director

Prepared by George Bradley, Streets Superintendent

JLR/GMB/rs
